Have you Heard About Donald Trump? Written by Louis Chamorro

Have you heard of Donald Trump? If so then I think you will be interested in this article. Donald Trump has made a huge impact on the news and not a very good one. Donald Trump is currently running for Presi-

dent of the United States of America. Donald Trump has a reputation as the most racist election candidate because in his Biography he says that “Mexicans are drug dealers, rapist, and vio-

lence creators”. Did this anger you? No? Well maybe this will: Donald Trump also said “When Mexico sends its

people, they’re not sending their best. They’re not sending you. They’re sending people that have lots of problems, and they’re bringing those problems with us. They’re bringing drugs. They’re

bringing crime. They’re rapists.” In addition Donald Trump is in the Republican political party and is a multi-Millionaire. Also, Donald Trump is in the lead in getting the most attention all

around the world and as a Republican political party. All I want to say is, who will you vote for?!

Matthew's Sports Update

Written by Matthew Walker

This week in the NBA all eyes have been on the OKC Thunder and what they are going to do to rebuild from these devastating string of games that they have had in the past couple of weeks. Losing six out of their last eight games. Their most recent defeat was against the Golden State Warriors- the ending score was 106-12. The Golden State Warriors have been on a tear this season with an astounding record of fifty five and five as of March 4, 2016.

In related news the Miami Heat recently faced the Phoenix Suns and they came out with the victory 108-92. The rookie Devin Booker had a stellar performance with 34 points, 3 rebounds, and 4 assists but, this wasn't enough to overthrow the Miami Heat. At the end of the NFL season the Denver Broncos overtake the Carolina Panthers in super bowl 50. The ending score was 24-10 and Von Miller LB wins the MVP award after the game was over.

Movie and Music Review

"IF YOU CAN DREAM IT, YOU CAN DO IT".
Walt Disney

One of this year's hit albums is Justin Bieber Purpose album! "Purpose" was released on November 13, 2015 and it hit one on billboards chart. Justin had his ups and downs throughout his career, but now he's BACK! Justin's song "Sorry" and "Love Yourself"

have hit number one on the billboards chart in seconds! "Sorry" was the longest single running No.1 in the charts history. Bieber had a six-week run with the previous single "What Do You Mean? Justin breaks records throughout the billboard's chart. Justin Bieber's album is one of my favorite albums because his album

explains a lot about what he really is and what he has been going through.

Super Tuesday

Written by Matthew Walker

March 1, 2016 was Super Tuesday or a day when a multitude of U.S. states hold primary elections for both Republicans and Democrats. On the republican side Donald Trump holds the lead with about 316 dele-

gates; he is ahead of Ted Cruz (226 delegates) and Marco Rubio (106 delegates). On the Democratic side Hilary Clinton is claiming her spot as she has an astounding 577 delegates with Bernie Sanders not too far behind with an honorable 386 delegates. It seems as though in the end the two who will be facing off will be Hilary Clinton Versus Donald

Trump. Twelve states so far have started the polls -those states being Minnesota, Georgia, Alabama, Massachusetts, Tennessee, Vermont, Virginia, Oklahoma, Texas, Alaska, and Arkansas. This election will truly be one for the ages.

Here is another accessory that I know that all the girls are wearing. **CHOKERS!!!**

Chokers were in style in the 90s and now

there back this year. Chokers are a black leather necklace that goes on your necks. Some chokers come with a accesso-

ries in the middle if the chokers. For example, they have a moon, anchors, a shiny ball and many more!

Winter in Florida A poem written by Ariana Chester

Winter in Florida, no snow, no blizzards

Wearing a jacket going to the beach

The sand so warm, can you feel it too?

The breeze so perfect, it feels so good

Spending time with family, talking and laughing

Laying on a blanket , relaxing and chilling

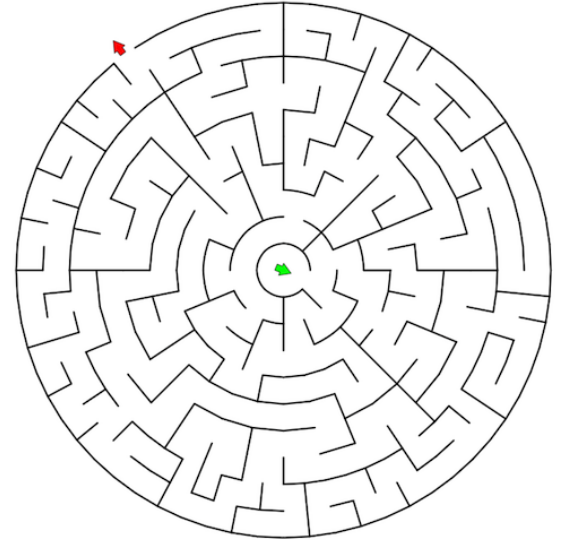

The best time of year is Winter in Florida

Inside the Fair, many students from different schools came to compete with their animals and win prizes. One of the schools that competed was our neighbors, William H. Turner Technical High School.
